INTRODUCTION

Welcome to Arrows Elite 2026/27! As a programme we have so many exciting things planned for this season and we can't wait to get started. Thank you for choosing to join us as we embark on this journey.

This information pack contains all of the information you need for the season, so please read it carefully before accepting your team place. If you have any questions please email us on cheer@arrowselite.co.uk

KEY CHANGES TO CLASSES

- This season tumble classes will not be included in monthly training fees, as attending additional tumble sessions will not be compulsory. All teams will have tumble elements built into their main team training session, but if you would like to attend specific tumble sessions, these will be booked separately.
- The timetable has been redesigned this year to ensure all teams have use of the full floor space within their training sessions to help work on formations and performing 'full outs' regularly.

PREP & REC NATIONALS

24th April - 3rd May 2027 (TBC)

Once we have numbers confirmed for the team we will arrange a formal quote for the trip, but based on our current conversations with travel companies who arrange trips to Youth Summit we have the following rough estimate cost. They feel they would be able to bring the trip in below this price but by how much would depend on number of family members/spectators included in the booking.

These payments will be made in installments throughout the year, paid directly to the travel company.

The club will work with the team to fundraise to help with trip costs throughout the season

Cost per person - Approx £1900 - £2100

Cost includes:

- Competition entry
- Flights
- Villa (10 days)
- Disney Tickets
- Training at a US Gym
- Team activity (eg. water park)

ATTENDANCE POLICY

ATTENDANCE IS VITAL

Cheerleading is a team sport, so if one person is missing from training this can have a huge effect on the rest of the team. The results speak for themselves, teams who train consistently with strong attendance make more progress across the season, feel more confident in their performances and develop their skills with more technical accuracy. Please help us to give our athletes the best chance for success by abiding by our attendance policy.

MISSING TRAINING

All planned absences should be reported via Coacha with at least 2 weeks notice.

Athletes should not miss training sessions within 2 weeks of a competition.

Illnesses should be reported on Coacha as soon as you know it will affect training. If athletes are injured or have a minor and non-contagious illness, they should still attend training to watch.

AUTHORISED ABSENCES

Absences will be listed as authorised for compulsory school events, important family events such as funerals and weddings and sickness.

Absences will **not** be authorised for events such as birthdays, exams the next day or non-compulsory school events.

If you are unsure, please speak to your team coach.

ATHLETE REMOVAL

Arrows Elite reserves the right to remove athletes from parts or the whole of a routine if an athlete's attendance is not in line with our attendance policy.

If an athlete is repeatedly missing training without notice or for unauthorised reasons and this leads to them being removed from the routine/team, any fees paid so far will be non-refundable.

USING COACHA

PARENT PORTAL

All athletes must be registered on Coacha, with up to date information.

Coacha can be used by parents for the following functions:

- View class schedules
- Book additional classes and tumble privates
- View payment records
- Report absences
- Purchase spectator tickets (some event providers)
- Purchase team kit items
- View event information for competitions
- Access club documents such as Code of Conduct and Media policy

There is a Coacha mobile app, however we have found that the website is easier to navigate and has more functions available.
